

Canyon Christian Schools Consortium Announcement

We are pleased to announce our school's membership to the Canyon Christian Schools Consortium (CCSC), which is a partnership with Grand Canyon University (GCU) and other members of the Christian school community.

The consortium is designed to provide a holistic approach to Christian education by reducing the cost of private Christian education, increasing enrollment for faith-based high schools and offering incentives to attract top Christian high school students to Grand Canyon University.

Our goal in joining the consortium is to provide our students, parents and staff with the following opportunities:

- High school students (grades 9-12) will receive a \$5,000 (on-campus housing) or \$2,500 (off-campus housing) scholarship at GCU per year for each year of attendance at a coalition-member Christian high school. This could save students up to \$20,000 on college tuition over the course of four years.
- CCSC members have access to a catalog of dual and concurrent enrollment courses that current high school students can participate in, offering them an opportunity to reduce the time to complete a bachelor's degree from four years to three. This could reduce college costs by up to 25%.
- CCSC members have access to an exclusive 15% discount for their faculty and staff, providing savings toward tuition for online undergraduate, graduate or doctoral degree programs at Grand Canyon University. (Scholarships available for campus-based programs.)
- Parents of our students are eligible for a 15% discount on tuition for online undergraduate, graduate or doctoral degree programs at Grand Canyon University. (Scholarships available for campus-based programs.)
- CCSC members will receive priority communication and involvement in GCU-sponsored initiatives and programs that benefit students, staff and school communities. Please refer to the Resources tab at gcu.edu/ccsc for the most current opportunities.
- CCSC members will have access to GCU for facility usage, subject to availability. If there is a charge for any facility use, CCSC members will receive a discount. CCSC members will receive preference over non-members for facility use.
- CCSC members will have access to GCU staff for professional development, student/staff speeches, sports camps and chapel.
- Grand Canyon University is pleased to provide preferential employment consideration to CCSC member-school parents and alumni.
