Understanding the great sacrifice some families make to provide a Christian education for their children, families may elect a tuition plan that suits the family's monthly budget needs. Families desiring an alternative payment plan other than those given, must complete the RCS Scholarship/Financial Aid forms for approval. Options for payment include: Out of pocket expense, scholarship monies, K-12 tuition financing, or a combination.

RCS collects tuition using an online tuition accounting and payment portal for families. Upon registration, families will be given the link to their online tuition account.

Tuition includes books, curricular materials, consumable workbooks, textbooks, science lab materials, student activity fees, K-8 class supplies, and access to Sycamore™ online school information portal. Each tuition payment level includes additional subjects and / or teaching expertise. Tuition for students starting after the beginning of the school year is prorated, based upon start date.
