To our local neighbors,

I am reaching out on behalf of Redeemer Christian School, a 501(c)(3) tax-exempt nonprofit (EIN #81-1486775). We provide classical academic, K-12 education through a secure, Christ-centered environment for families in the East Valley.

We are celebrating the **45th anniversary of Redeemer Christian School!** We have many events this year, but our largest is our "Through The Years" Gala on October 18th, 2025.

Our October Gala will celebrate our school's academic excellence and impact on the community since 1980. We will celebrate God's faithfulness to this ministry with music, food, and special gifts. Proceeds from our gala will enhance educational programs and provide scholarships to our students in need.

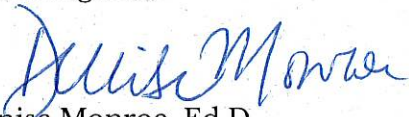

Would you consider supporting our event by donating interesting products, service vouchers, branded merchandise, or gift certificates for our silent auction?

We are also seeking underwriter sponsors for event expenses and would be blessed to represent your organization to our community. Our Sponsorship Opportunity Kit is included for your review. All financial and in-kind contributions are tax-deductible.

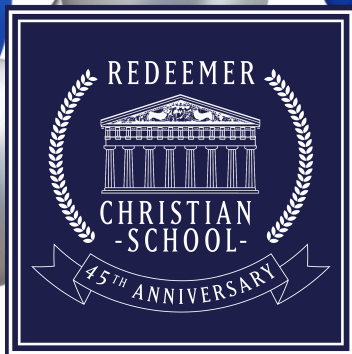

If no donation or sponsorship is possible at this time, please consider sharing the news of our anniversary with your community or by attending one of our performances.

Thank you for considering this opportunity to celebrate with us and to impact local quality education. We look forward to welcoming your support and meeting you at the event.

Warm regards,

Denise Monroe, Ed.D.

Support Our 45th Anniversary Celebration

Your Donation Directly Impacts Two Key Initiatives:

Campus Beautification & Classroom Updates

To enrich daily learning and enhance our campus, we are making vital improvements. Your gift will replace outdated classroom furniture and desks, new bulletin boards, upgrade classroom technology, and add outdoor seating and shade structures.

Scholarships for First-Year Students in Low-Income Households

Your gift will help provide scholarships to new students to the school whose families have the conviction of committing to Christian education, and need financial assistance to start. This scholarship provides those students with a first-year funding boost, while they apply to other financial aid programs the school offers in the following years.
